## **LEAD COACH (COUNTY SQUAD) VACANCY**

York City Baths Club currently has a vacancy for a Lead Coach (County Squad).

Ideally, candidates will hold Level 2 coaching qualifications (or be working towards them). We are looking to appoint a highly motivated individual,, possessing excellent communication skills and an understanding of the ASA Long Term Athlete Development model. The role necessitates working unsociable hours, and committing to attendance at galas to support the Club's competitive programme of events.

The Executive Committee is looking to appoint a paid Service Provider to fulfil this role. Remuneration will be subject to experience and qualifications. Under the direction of the Head Coach, it is essential that the successful candidate demonstrates a willingness to collaborate with the Club's coaching and teaching community, to help the Club fulfil all its aims and objectives.

The club currently has 200 swimmers in its competitive squads, with a further 300 swimmers in its Learn To Swim scheme. It operates from six venues across the city and is regularly represented at all levels of competition from Graded Meets to National Championships.

County Squad currently comprises around 30 swimmers who have qualified for, or are working towards, qualification for County Championships. Swimmers in this squad will continue to work on developing all four strokes and are expected to adapt progressively to the training requirements of competitive swimming, including regular attendance, punctuality and work ethic. The Squad currently meets four times and week; the option of a fifth session is something the Executive Committee would like to explore.

To express an interest in this vacancy, please contact Alison Pickup (Honorary Secretary) via email: [ycbc.secretary@gmail.com](mailto:ycbc.secretary@gmail.com)

**This position will remain advertised until filled.**
