LEAD COACH (CLUB SQUAD) VACANCY

York City Baths Club currently has a vacancy for a Lead Coach (Club Squad).

Ideally, candidates will hold Level 2 coaching qualifications (or be working towards them); a NRASTAC or NPLQ lifeguarding qualification is essential. We are looking to appoint a highly motivated individual, possessing excellent communication skills and an understanding of the ASA Long Term Athlete Development model. The role necessitates working unsociable hours and committing to attendance at galas to support the Club's competitive programme of events.

The Executive Committee is looking to appoint a paid Service Provider to fulfil this role. Remuneration will be subject to experience and qualifications. Under the direction of the Head Coach, it is essential that the successful candidate demonstrates a willingness to collaborate with the Club's coaching and teaching community, to help the Club fulfil all its aims and objectives.

The club currently has 160 swimmers in its competitive squads, with a further 270 swimmers in its Learn To Swim scheme. It operates from six venues across the city and is regularly represented at all levels of competition from Graded Meets to National Championships.

Club Squad provides swimmers an opportunity to train in a competitive environment, without having to give the full commitment expected in other squads. Training is focussed on the development of aerobic capacity, technical skills and speed. Six sessions are offered to swimmers.

To express an interest in this vacancy, please contact Alison Pickup (Honorary Secretary) via email: **ycbc.secretary@gmail.com**

Closing Date: 18th November 2016
