National Qualifier 2024

Meet Conditions

1. The event conditions may be revised in response to any operational limitations that change between the publication of these conditions and the meet itself. In addition to a change in conditions, limits may need to be placed on entry numbers which could result in some swimmers achieving a consideration time not being admitted to the meet. If conditions need to be altered or there is a need to restrict numbers, British Swimming will provide as much notice as possible. In the event of entries being limited and some entries being subsequently declined, entry fees will be refunded in full.
2. The Competition shall be held under World Aquatics Rules (WAQUA), World Para-Swimming (WPS) rules and regulations where relevant, the British Swimming Judicial Code and any additional conditions (printed in the respective Meet Information).
